

AYE CHAN MON

Mobile Developer

Profile

Experienced Mobile and Web Developer with 6+ years in Flutter, Dart, Firebase, and REST API integration, specializing in high-performance mobile apps for iOS and Android. Skilled in full-stack development with expertise in Ionic, Angular, Vue, Laravel, Java, Python, MSSQL, and PostgreSQL. Proven track record in managing the full app lifecycle and customizing Odoo ERP modules to enhance business workflows. Strong collaborator with cross-functional teams and clients to deliver scalable solutions on time.

WORK EXPERIENCE

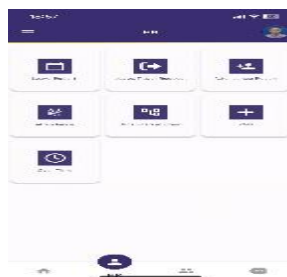

Mobile and Web Developer

02/2022 – 02/2025

Digi Power Co., Ltd | Myanmar

- Developed and maintained WB Work Day app using Flutter and Python REST APIs, automating business processes for 2,800+ users
- Led full development lifecycle from design and deployment to post-launch updates to ensure continuous improvement and bug fixes
- Implemented state management solutions (Provider, GetX) to optimize app performance, enhance responsiveness, and manage data flow efficiently
- Implemented app architecture patterns (MVC) for scalable and maintainable code
- Deployed apps to Google Play Store and Apple Store for successful launches
- Customized Odoo ERP modules (HR, Admin, Trip, Fleet) using Python to improve business workflows
- Collaborated with clients to gather requirements and deliver customized solutions on time

Work Project

WB Work Day (Mobile & Web)  

Senior Mobile Developer (Part-time Remote)

09/2022 – 08/2024

OOAK Inc | Japan

- Developed e-commerce, POS, and chat apps with Flutter for Android and iOS, ensuring smooth user experiences
- Integrated Firebase for notifications, Pusher and Jitsi for real-time features, and Square and Stripe for payments
- Utilized MVC, MVVM, and Clean Architecture to develop scalable, maintainable, and reusable code
- Developed a Vue-based website for browsing SIM card options in Japan, enhancing user experience and accessibility
- Implemented custom UI components, improving app performance by 25% and improving user experience
